EVER AFTER ME

Stephen McWhirter, Bryan Fowler, Joel Gerdis

More than bright lights more than a stage
More than anything these hands could ever make

You are always only ever after
Always only ever after
Always only ever after me

More than the answers that I have learned
More than setting in some seats to hear some words
More than the trophies I have won
More than adding up the good I think I've done

Anything less than all of me

Anything less than all of Yo
